Spanish	History	DT/Food	Maths	Science
PRE	Drama	Computer Science	Music	Art
	Dance	Geography		Geography
30 minutes reading				

** DT/Food tasks should be completed on alternating weeks.*

** In Year 9, students would have been placed in their GCSE option class for Humanities at the beginning of the summer term. Where History/Geography has been placed on the timetable, students should complete the work for the subject they have chosen as their GCSE option. If they have chosen to study both History and Geography for GCSE, they should share the time equally between the subjects.*
