Sixth Form Open Evening

Dear Parent/Carer

On **Thursday 19 November**, we will be holding our Sixth Form Open Evening virtually online.

The purpose of the evening is to introduce you to the exciting and diverse curriculum our Sixth Form will be offering for September 2021. There will be subject videos on the school's website as well as information videos about what we can offer your child in the Sixth Form. This will go live on the website on **Thursday 19 November at 5:30pm**.

Many Year 11 students are unsure of their next steps and the informative videos will provide a chance to find out about each subject and to see how a personalised study programme can be built.

Following this open evening, all Year 11 students will meet with a member of senior staff to discuss their Post 16 options. Students will also participate in a Sixth Form Discovery day on Thursday 17 December where students will register an interest in subjects, more information about this will be sent out in the next few weeks.

Application packs will be issued in January, which will include our blocked curriculum so that students will be able to look at course combinations.

A well-informed choice is crucial at this stage of your child's education and we strongly encourage you and your child to take part so they can make the best choice on their next stage of education.

Should you have any questions or need to get in contact with me, please email me: 6thformOE@astleycooper.herts.sch.uk

Yours sincerely

Miss C East
Head of Sixth Form
