

THE ASTLEY COOPER SCHOOL

New Building Plans

Bowmer + Kirkland has been selected by the Department for Education (DfE) as the main contractor on plans to redevelop The Astley Cooper School.

As part of the Government's Priority School Building Programme the plans will see the creation of two new buildings and improvements to the school layout.

PUBLIC WEBINAR

The project team will be presenting the plans in a public webinar before we submit our planning application.

The webinar will take place on Tuesday 2nd March 2021 6.30pm – 7.45pm.

You can register to attend on the project website astleycooperplans.co.uk

If you are unable to attend, the presentation will be available on the website after the event. If you do not have internet access please leave a message with your name and address on 07592 570528.

The planned replacement high-quality buildings will transform the learning environment for all students and staff, enable the school to make significant savings on running costs and provide better out of hours community use.

CGI of proposed Leisure Centre entrance

Bowmer + Kirkland (B+K) has extensive experience of managing sites where the school remains open. Traffic and Construction Management Plans will ensure the school is able to operate safely. Deliveries and vehicle movements to the site will be programmed to minimise disruption to the neighbouring area.
