## End of Year 10 Assessments (21 June to 2 July)

Dear Parent/Carer,

I am writing to inform you of the end of Year 10 assessments that are due to take place from 21 June to 2 July. The purpose of these assessments is to help us establish baseline grades for Year 11 studies and to help your child know their strengths and weaknesses. Time is important, and we want to help your child better understand their knowledge gaps so that they can use the remaining school time and the summer to better prepare for next year. Teachers will be able to provide further guidance to help students prepare for these assessments.

Attached is the assessment time table. Students will be given their seating plan in lessons/ form time and on their Google classroom. To begin each assessment, students will line up in the Main Hall with the correct equipment and be escorted to the gym. For core assessments such as English, Maths and Combined Science, students will leave their bags in their respective form rooms. These rooms will be locked. Mobile phones and smart watches must be turned off and be handed in to exam invigilators in the gym. For all other assessments, including single science, students will bring their bags with them to the gym.

If there are any questions about this, please feel free to contact me at [m.siu@astleycooper.herts.sch.uk](mailto:m.siu@astleycooper.herts.sch.uk)

Yours sincerely,

Mr M Siu  
Assistant Headteacher
