Headteacher: Edward Gaynor

Dear Parent/Carer

As part of the Science curriculum we will provide students with access to online resources and exam questions through the Collins Connect website. This enables them to use digital copies of the GCSE Science textbook that are required for study. However, many students find it helpful to own a physical copy of the revision guides that they are able to write in and take home for revision. Therefore, we would recommend that students obtain their own copies of the following texts:

Combined Science

Grade 9-1 GCSE Combined Science: AQA Revision Guide and Practice Book £8.10

AQA GCSE Combined Lab Book £1.50

Single Science only

Grade 9-1 GCSE Single Science: AQA Physics, Chemistry and Biology Revision Guide and Practice Book with Online Edition £10.78

AQA GCSE Physics, Chemistry and Biology Lab Books £2.40

To facilitate students obtaining copies of the revision guide we are offering to purchase copies in bulk, in order to reduce the cost. If you would be interested in purchasing a copy of each of the above revision guides, at the reduced cost stated above, the texts are available to purchase on Parent Pay.

Yours sincerely

Ms L.White
Head of Science
