

Dear Year 6,

I am writing this letter to tell you about my amazing first year at secondary school. At first when I joined the school I was very nervous about the transition from Year 6 to Year 7. This was mainly because of lockdown. After a few days, I didn't feel nervous at all and that is because of all the hard work that all the staff put in. Mrs. Goodchild is amazing; she is the Head of Year 7. She helps and supports everyone, and I am grateful for everything she has done. Whenever you need someone to talk to, just know all the staff at Astley Cooper are here to help you. I have made so many new friends at Astley, so you don't need to worry about trying to fit in because everyone supports you no matter what.

I hope this letter makes you feel less nervous about joining Year 7. Everyone at Astley Cooper is friendly, supportive and amazing. If you feel worried just talk to one of the members of staff.
