

The Astley Cooper School

Aspiration, Determination, Integrity

Dear Parent/Carers,

Your child/children now have access to a wide selection of eBooks and audiobooks through Wheelers ePlatform.

This is a great addition to our library and gives all students the opportunity to read over the summer holiday and is a convenient way to ensure the love of reading continues throughout the school year.

There are 10,000+ titles to choose from which include a mixture of eBooks and audiobooks. There is an app which can be downloaded to mobile phones and tablets, allowing students to read anywhere. The resources can also be downloaded to the device so an internet connection is not always necessary. Access is available 24 hours a day, 7 days a week and does not require a physical presence in the library.

The audiobooks are an amazing alternative to a physical book or eBooks. They are often read by actors, skilled narrators or authors themselves, adding additional authenticity and emotional connection; audiobooks will capture the essence, humour and action of the story.

Some titles will be suitable for Key Stage 4 students only so these have restrictions set to prevent younger students borrowing them.

The Wheelers ePlatform can be found as a tile in RM Unify, on the school website under Learning Resource Centre, or through the following link <https://astleycooper.eplatform.co/>

The app is available to download through the App Store, Play Store and Microsoft.

Students can log in using their school computer network username and password.

I hope many of our students will make use of this wonderful addition to the library and read some amazing books over the holiday.

If you have any questions please email library@astleycooper.herts.sch.uk

Yours Sincerely

Mrs Claire Animashaun
(LRC Manager and Librarian)
