

The Astley Cooper School

Aspiration, Determination, Integrity

8 November 2022

Dear Parents/Carers,

I wanted to update you on the incident in school today. There was a student concern that the police attended and dealt with. The incident involved no other students and was dealt with swiftly by the police and staff.

A number of students saw the police cars, and this caused some worry. We have reassured the students that they are all safe and we will work with the police to support the student involved.

Please refrain from sharing inaccurate information on social media and contact the school if you have any questions.

Thank you for your continued support.

Yours sincerely

Mr S Orsborne
Headteacher
