## **Sixth Form - University of Hertfordshire Support Evening**

Dear Families,

On Thursday 17 October 7:00-7:45pm, The University of Hertfordshire is hosting an online webinar regarding the UCAS application process and the financial support available to families whose young people want to attend university.

The evening is aimed at Year 13 parents and will be useful for all parents to attend if their child is attending university.

There is a Q&A session towards the end of the webinar so that parents can ask questions. The event is free, all you need to do is register here

Year 13 students are currently in the middle of their UCAS application journey, having attended the University and Apprenticeship show on the same day this will be a great way for you as parents to find out more information to support your son/daughter with this next step of their education.

Yours Sincerely

Mrs C Ollerenshaw-East  
Head of Sixth Form
