Dear Parent/Carer

GCSE Information Evening

We would like to invite you to a GCSE information evening on Thursday 7 November beginning at 6.00pm.

The evening is to support Year 10 students to adopt a positive approach to revision. There will be presentations from the Subject Leaders of English, Mathematics and Science and an opportunity to look at practical ways to apply general revision techniques to the subjects your child currently studies.

This is an important evening which is designed to ensure you are well informed about the expectations and challenges ahead as your child has now begun their GCSE program of study.

We hope that the information provided by us on the evening will help you to support your child over the course of the next two years, aiding them to achieve the best outcome for them.

We feel that this evening is vital to ensure our pupils are as fully supported as possible both at school and at home. We are really looking forward to seeing you there as part of our joint commitment to ensuring our students' future success.

If you can attend, please complete the Google [here](#) by Tuesday 5 November

We look forward to seeing you on the evening.

Yours sincerely

Mrs J Rourke
Assistant Headteacher

Ms T Msanide
Head of Year 10
