

The Astley Cooper School

Responsibility Respect Resilience

January 2025

Dear Parent/ Carer

Movie Night - The LEGO Movie (2014)

On **Thursday, 6 February 2025**, from **4:00pm to 6:00pm**, we will be hosting a Movie Night in the Hall for Year 8 and 9 students. There will be limited spaces for this event, available on a **first-come, first-served** basis.

The movie we will be showing is **The LEGO Movie (2014)**, an exciting animated film that follows the adventures of Emmet, an ordinary LEGO figure who is mistaken for the Master Builder and tasked with saving the world. The movie incorporates themes of creativity, problem-solving, and teamwork, all of which align with key STEM concepts, including engineering, design, and mathematics. This will support your child's learning in these areas, encouraging them to think critically and engage with STEM in a fun and innovative way.

The **cost for the movie night is £2.50**, which includes popcorn, a drink, crisps, and sweets. Payment must be made via **ParentPay**, and the **deadline for payment is Monday, 3 February 2025**. We do not require a paper reply slip or medical form. These are now available on **ParentPay**, and need to be completed when making payment and confirming attendance.

On ParentPay, you will also need to confirm whether you will be picking up your child at **6:00pm** or if other arrangements will be made for your child's safe journey home. Additionally, please confirm if your child has permission to attend the event.

It is your responsibility to update any changes to medical, allergy, or emergency contact details on **ParentPay** after completing the online form.

Students will be supervised in the Hall at all times and will be required to remain there for the duration of the movie. Should you have any further questions regarding this event, please do not hesitate to contact the school or email me at **s.fernando@astleycooper.herts.sch.uk**

We look forward to an enjoyable and educational movie night.

Yours sincerely

Miss S Fernando
