

Dear Parent/Carer,

At Innovate we are continually looking to make improvements to the restaurant service available to students and parents.

The menus available to students include daily hot plated meals, soup station, hot deli, baguettes, fruit bags, home bakes, cold and hot drinks and more.

We operate opening hours from before school until after school, so as well as break and lunchtime, students can visit us for breakfast as well as pick something up after school. We open from 8am until after school every day.

We would love for parents and students to take advantage of the extended opening hours and be able to take advantage of the breakfast and afterschool offer.

For this reason, on Monday 12th May we will increase the daily spending limit to £7 per day. If you already have a bespoke spending in place this will remain. We do however understand that some parents and guardians would prefer to keep spending limited to lunch time. Should you wish to place a spending limit on your child's account please complete the below form and return to the Innovate Restaurant.

Kind regards,

Bryan Lygate

Managing Director

Innovate Services Ltd

Please tear off and return to school

Change to Daily Spending Limit Form
