

Year 10 Exam Preparation Evening

Format of the Evening:

6.00pm - 6.20pm: Welcome and top revision strategies

6.20pm - 7.30pm workshops:

- **English**
- **Maths**
- **Science**
- **Parent Advice**
- **How the brain works**

Revision Principles and Strategies.

- 1) Turn up and be consistent**
- 2) Little and often**
- 3) Input less output more**

1) Turn up and be consistent

- Attendance matters.
- Aim for 100%, ensure no lower than 95%
- Interventions make a HUGE difference

2) Little and often

- No need to cram! (It doesn't work)
- Consistency is key
- Revision timetable is essential

A good revision timetable is...

- Regular
- Realistic
- Brief (20 minute blocks)

An example...

Monday	Tuesday	Wed	Thursday	Friday	Saturday	Sunday
English	Clubs	English	Options	English	Options	OFF
Maths		Maths		Maths		
Science		Science		Science		

3) Input less output more

DO NOT	DO
Re- read your notes/ books	Turn your notes into pictures Make quizzes from your notes Create Mind Maps with illustrations Turn notes into flow diagrams Active read - write down three questions you are going to answer
Spend hours creating nice notes	Answer past papers Past paper mapping - write what you would including in answers
Study one subject/ topic	Mix up topics and subjects in any one study session

Finally...

No!

Workshops:

- How to talk to your child about revision and how to help/test your child at home - creating revision plans and using past papers **Mrs Cooke - Library**
