Aspiration, Determination, Integrity

Post 16 Discovery Day

Dear Parents/Carers

Following our Sixth Form Open Evening we will be holding a Sixth Form Discovery Day on **Friday 30 January**. The purpose of this day is to give students the opportunity to experience a range of subjects before making a decision on their education Post 16.

Students will be off timetable for the day and will follow the same structure and timings of the day as they currently do. Students will be introduced to life in the Sixth Form, participate in A-Level/BTEC taster lessons or be involved in the Pre-Apprenticeship workshop.

Students should arrive in school at 8:30am and make their way to their form room where they will receive their timetable for the day.

Students will be required to wear smart/casual clothing that is appropriate for school; however, hoodies, sports kit, jeans or trainers should not be worn. Should you have any questions about the dress code for the day, please contact me at the school. If students have nothing to wear, then the school uniform can be worn without the tie or blazer. Should students arrive at school wearing the incorrect uniform, they will be sent home to change and then return.

Students will need to bring writing equipment with them to participate in the taster lessons. Students will attend 4 taster sessions and at 2:15 after the last session they will go home.

This day will be a fantastic opportunity for students to experience what education will be like Post 16, the taster sessions are designed to be fun and engaging and we encourage students to actively participate in lessons even if they have yet to decide on where they wish to study next.

Should you have any questions regarding the Sixth Form, please contact me at the school or email c.ollerenshaw-east@astleycooper.herts.sch.uk

Yours sincerely

Mrs Ollerenshaw-East
Head of Sixth Form
