

The Astley Cooper School

Responsibility Respect Resilience

May 2026

Dear Families

As we head into the last term for the academic year, there are still important mock exams happening for Year 12. These end of year assessments will take place between Monday 15 June and Friday 26 June. Please see the timetable below.

All mock exams will take place in the classroom and will be under exam conditions. Students have been told of these mock exams in advance and should be using their time effectively to prepare themselves appropriately for these.

As students move into Year 13 in the first term, there will be further mock examinations taking place in the sports hall under exam conditions.

Please ensure that your child is suitably prepared for these exams by encouraging them to revise during this exam period.

Students who study a BTEC qualification or Criminology have already sat summer examinations and will therefore not have a mock exam during this period.

Yours sincerely

Mrs Ollerenshaw-East
Head of Sixth Form
