

# The Astley Cooper School

Responsibility • Respect • Resilience

Dear Parents and Carers,

We are delighted to announce an exciting new opportunity for students at The Astley Cooper School to learn a musical instrument through our partnership with Rhythm Room Music Tuition.

Learning an instrument is a fantastic way for students to develop new skills, build confidence, enhance creativity, and experience the enjoyment of making music. We are proud to be expanding the musical opportunities available to our students and look forward to welcoming many aspiring musicians to the programme.

**Instrumental lessons will begin in September 2026**, and we are now inviting students to register their interest and secure a place.

If you would like your child to take part in instrumental tuition, please complete **the form linked [here](#)**. It is essential that the form is submitted in order for your child's application to be processed successfully by both Rhythm Room Music Tuition and The Astley Cooper School.

Lessons will be booked in blocks of 10 sessions. Once places have been confirmed, parents and carers will be contacted with details of lesson schedules and payment arrangements, which must be completed before lessons begin.

A range of lesson options and pricing information can be found on the Rhythm Room Music Tuition application form. Students who are eligible for Pupil Premium funding will receive a **discount**, helping to ensure that as many students as possible can access this valuable opportunity.

Lesson timetables and student passes will be distributed during the first week back after the summer holidays.

We encourage families to register early to avoid disappointment and to give students the chance to embark on an exciting musical journey from the start of the new academic year.

If you have any questions or would like further information, please do not hesitate to get in touch via the email address below.

Kind regards,

**Miss S. Gordon**

Subject Lead of Music
