All admissions to The Astley Cooper School are the responsibility of the school. The allocation process has been delegated to Hertfordshire County Council.

All information about the secondary transfer process, including the online application form, can be found at www.hertfordshire.gov.uk/admissions. The school will have a published admission number of 180.

Section 324 of the Education Act 1996 requires the governing bodies of all maintained schools to admit a child with an EHC (Education, Health and Care) Plan that names the school.

Application process

All applicants must complete the Common Application Form of their home local authority. Hertfordshire residents should apply online to Hertfordshire County Council (HCC) (www.hertfordshire.gov.uk/admissions). Families resident in other local authorities must complete the form provided by the authority in which they live. Applicants for The Astley Cooper School are not required to complete a Supplementary Information Form (SIF).

Closing date for online applications to be submitted to the LA	31 October 2026
Statutory deadline for receipt of paper applications	31 October 2026
Allocation information despatched to parents	1 March 2027
Date by which parents/carers may accept or reject place offered	8 March 2027
Date by which parents/carers return appeal forms	March 2027 (exact date TBC)

If there are fewer applications than places available at a school all applicants will be admitted. If there are more applications than places available, the criteria outlined below will be used to prioritise applications.

Oversubscription criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care Plan (EHCP) naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

Rule 1 Children looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order or a special guardianship order.

Children who were not looked after immediately before being adopted or made the subject of a child arrangements order or special guardianship order, will not be prioritised under this rule

Rule 2 Medical or social needs: Children for whom it can be demonstrated that they have a particular medical or social need to go to the school. A panel of Hertfordshire County Council (HCC) officers will determine whether the evidence provided is sufficiently compelling to meet the requirements for this rule. The evidence must relate specifically to the school applied for under Rule 2 and must clearly demonstrate why it is the only school that can meet the child's needs.

Rule 3 Sibling: Children who have a sibling at the school at the time of application, unless the sibling is in the last year of the normal age range of the school. The 'normal age range' is the designated range for which the school provides, i.e. Years 7 to 13 in this school.

Rule 4 The Astley Cooper as its own admitting authority gives priority in their oversubscription criteria to children of staff in either or both of the following circumstances:

- a) Where a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or
- b) The member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage

The priority at The Astley Cooper School will be applied as follows: children of staff who have worked at the school for two or more years, or children of staff who have been recruited to fill a vacant post for which there is a demonstrable skill shortage, whose current permanent address is the same as the member of staff (see page 8 for definition of home address). To be eligible under this rule, the staff member must be the child's natural parent or otherwise have parental responsibility (as defined under the Children Act 1989) for the child. For the purposes of satisfying these criteria, a member of staff is defined as a permanent member of the staff. This definition does not include contract staff or peripatetic staff employed by HCC.

Rule 5 Children who live in the priority area and for whom it is their nearest Hertfordshire maintained school or academy that is non-faith, co-educational and non-partially selective.

Note: Non-partially selective means that the school does not offer any places based on academic ability. For admission allocation purposes Tring School is included as a non-faith school

Rule 6 Children who live in the priority area who live nearest to the school.

	Priority Area	Towns/Parishes/Unparished areas	Schools
6	Hemel Hempstead, Kings Langley, Berkhamstead, Tring, Garston, Watford, Chorleywood and Rickmansworth	Abbots Langley, Aldbury, Berkhamsted, Bovingdon, Chipperfield, Chorleywood, Croxley Green, Flaunden, Great Gaddesden, Hemel Hempstead, Kings Langley, Little Gaddesden, Maple Cross, Nash Mills, Nettleden with Potten End, Northchurch, Rickmansworth, Sarratt, Tring, Tring Rural, Watford, Wigginton.	The Astley Cooper*, Hemel Hempstead*, Laureate Academy*, Kings Langley*, Westfield * *own admission authority schools

Rule 7 Children living outside the priority area on the basis of distance, with those living nearest to the school given priority.

These rules are applied in the order they are printed above. If more children qualify under a particular rule than there are places available, a tie break will be used by applying the next rule to those children.

Tie break

When there is a need for a tie break where two different addresses are the same distance from a school, in the case of a block of flats for example, the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer. If there are two identical addresses of separate applicants, the

tie break will be random. Every child entered onto the HCC admissions database has an individual random number assigned, between 1 and 1 million, against each preference school. When there is a need for a final tie break the random number is used to allocate the place, with the lowest number given priority

Late applications

All applications received by HCC after the deadline will be considered to be late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, parents may request that their child is placed on the school's waiting list.

Continuing interest (waiting lists)

After places have been offered, Hertfordshire County Council will maintain a continuing interest (waiting) list. A child's position on a CI list will be determined by the admission criteria outlined above and a child's place on the list can change as other children join or leave it. The county council will contact parents/carers if a vacancy becomes available and it can be offered to a child. Continuing interest lists will be maintained for every year group until the summer term (date to be specified and confirmed to parents at the time of allocation). To remain on the CI (waiting) list after this time, parents must confirm they are still interested in a place by completing an In Year application form.

Children Seeking Admission outside their Chronological Year Group

Only in exceptional circumstances will a child younger than 11 years of age or older than 12 years of age on 1 September of the year in which they are due to transfer to secondary school be considered for admission. One of these exceptions will be for summer born children who are currently educated out of their chronological year group. Hertfordshire County Council will administer applications in this category on the school's behalf.

In Year admissions

HCC co-ordinate the In Year admissions for the school. Information about how to apply and the online application form can be found at www.hertfordshire.gov.uk/inyear. The oversubscription criteria outlined above are used to prioritise all In Year applications.

Fair Access Protocol

The school will admit children under the Fair Access Protocol, in accordance with HCC's Fair Access Protocol, before those on continuing interest, and above the PAN if required.

Appeals Secondary transfer intake appeals:

Parents wishing to appeal who applied through HCC's online system should log into their online application and click on the link 'register an appeal'. Out of county residents and paper applicants should call the Customer Service Centre on 0300 123 4043 to request their registration details and log into www.hertfordshire.gov.uk/schoolappeals and click on the link 'log into the appeals system'.

Appeals lodged after these dates will be heard within 40 school days of the appeal deadline or 30 school days of being lodged, whichever is the later date.

Appellants will be sent notification of their appeal hearing at least 10 clear working days in advance of the hearing.

Appellants will be sent a copy of the school's case 7 working days in advance of the hearing.

Additional supporting information

If an appellant wishes to any supporting evidence after lodging an appeal, they will need to get that to the Appeals Team at least 7 working days before your hearing, (*not counting the day of postage or the hearing date*).

Please remember that any confidential medical/social evidence submitted to the Admission Authority (AA) in support of your application will not be provided to an appeal panel. If you wish to rely on this in support of your appeal you will need to submit this documentation to the Appeals Team.

If the appellant has a short document (like a doctor's letter which was not previously available), this will be accepted up to 4 working days before the hearing. Any additional evidence received after this deadline will not be circulated and the panel may not accept any additional information taken to the hearing.

Withdrawing an offer of a place

Once an offer has been made, Herts Admissions (on behalf of Astley Cooper School) may withdraw the offer if a parent has not responded within twenty school days, or it is established that the offer was obtained through a fraudulent or intentionally misleading application. Where the parent has not responded to the offer within fifteen school days, Herts Admissions will give the parent a further opportunity of five more school days to respond and will explain that the offer may be withdrawn if they do not.

Explanatory Notes and Definitions

Rule 1: Children looked after and children who were previously looked after, including those children who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted. Previously looked after children are those who were looked after but ceased to be so because of being adopted or became subject to a child arrangements order¹ or a special guardianship order².

Children who were not looked after immediately before being adopted or made the subject of a child arrangement order or special guardianship order, will not be prioritised under this rule.

Places are allocated to children in public care according to Chapter 2, Section 7 of the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012.

These children will be prioritised under rule 1

A "child looked after" is a child who is:

- a) in the care of a local authority, or
- b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22(1) of The Children Act 1989)

All children adopted from care who are of compulsory school age are eligible for admission under rule 1.

Children in the process of being placed for adoption are classified by law as children looked after providing there is a Placement Order and the application would be prioritised under Rule 1.

Children who were not "looked after" **immediately** before being adopted or made the subject of a child arrangement order or special guardianship order, **will not** be prioritised under rule 1. Applications made for these children, with suitable supporting professional evidence, can be considered under rule 2.

¹ Child arrangements order

Under the provisions of the Children and Families Act 2014, which amended section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders which settle the arrangements to be made as to the person with whom the child is to live.

² Special guardianship order

Under 14A of The Children Act 1989, an order appointing one or more individuals to be a child's special guardian or guardians.

Children previously looked after outside England and subsequently adopted will be prioritised under Rule 1 if the child's previously looked status and adoption is confirmed by Hertfordshire's "Virtual School".

The child's previously looked status will be decided in accordance with the definition outlined in The Children & Social Work Act 2017:

- i. to have been in state care in a place...because he or she would not otherwise have been cared for adequately, and
- ii. to have ceased to be in that state care as a result of being adopted.

A child is in "state care" if he or she is in the care of, or accommodated by –

- (a) a public authority,
- (b) a religious organisation, or
- (c) any other organisation the sole or main purpose of which is to benefit society.

Rule 2: Children for whom it can be demonstrated have a particular medical or social need to go to the school

Rule 2 applications will only be considered at the time of the initial application unless there has been a significant and exceptional change of circumstances within the family since the initial application was submitted.

All schools in Hertfordshire have experience in dealing with children with diverse social and medical needs. However, in a few very exceptional cases, there are reasons why a child has to go to one specific school.

Few applications under Rule 2 are agreed.

All applications are considered individually but a successful application should include the following:

- a) Specific recent professional evidence that justifies why only one school can meet a child's individual needs, and/or
- b) Professional evidence that outlines exceptional family circumstances making clear why only one school can meet the child's needs.
- c) If the requested school is not the nearest school to the child's home address, clear reasons why the nearest school is not appropriate.
- d) For medical cases – a clear explanation of why the child's severity of illness or disability makes attendance at only a specific school essential.

Evidence should make clear why only one school is appropriate. A Rule 2 application will generally not be upheld in cases where more than one school could meet the child's need.

In exceptional cases relating to a disability, where more than one school in the county can meet the child's specific needs, a clear and compelling case can be made for the "nearest" school with the relevant facilities, environment or location. You must clearly explain why attendance at the "nearest" school with these facilities is essential.

Applications under Rule 2 can only be considered when supported by a recent letter from a professional involved with the child or family, for example a doctor, psychologist or police officer. The supporting evidence needs to demonstrate why only one named school can meet the social/medical needs of the child.

Applications for children who were not "looked after" immediately before being adopted or made the subject of a child arrangement order or special guardianship order may be made under this rule.

Further details on the Rule 2 process can be found in the [Rule 2 protocol](#).

Definition of sibling

A sibling is defined as: the sister, brother, half brother or sister, adopted brother or sister, child of the parent/carer or partner or a child looked after or previously looked after¹ and in every case living permanently² in a placement within the home as part of the family household from Monday to Friday at the time of this application.

A sibling must be on the roll of the named school at the time the younger child starts or has been offered and accepted a place.

¹If a place is obtained for an older child using fraudulent information, there will be no sibling connection available to subsequent children from that family.

Children previously looked after are those children adopted or with a special guardianship order or child arrangements order. This definition was amended following a determination by the OSA in August 2014

²A sibling link will not be recognised for children living temporarily in the same house, for example a child who usually lives with one parent but has temporarily moved or a looked after child in a respite placement or very short term or bridging foster placement. If an applicant lives at more than one address, the sibling must also reside at the same address for the majority of the school week. The sibling's address will be verified by the school

Multiple births

The school, as the admission authority, will admit over a school's published admission number when a single twin/multiple birth child is allocated a place at a school and the other twin/multiple birth child has applied but not been allocated.

Home address

The address provided must be the child's current permanent address at the time of application.

- "At the time of application" means the closing date for applications.
- "Permanent" means that the child has lived at that address for at least a year.

A signed tenancy agreement showing that your tenancy began on or before 1 December 2027. Where the tenancy arrangement does not include a fixed term, or where additional evidence is required to confirm that the address is the child's normal place of residence, we may request further proof of address and verify this through the Shared Anti-Fraud Service where necessary.

The application can only be processed using one address. If a child lives at more than one address (for example due to a separation) the address used will be the one where the child lives for the majority of the school week. If a child lives at two addresses equally, parents/carers should make a single joint application naming one address.

If the child's living arrangements change after you apply and they now spend the majority of the school week living at a different address, you must provide evidence of the new permanent address.

We may ask for proof of your address at any time. If, following an initial investigation and/or any investigation by the Shared Anti-Fraud Service, the county council concludes that, a fraudulent address has been used, correspondence confirming this decision will be sent to the applicant. We will explain the decision-making process and the action that will be taken with the application. We will also confirm which address will be used as the child's permanent home address for admission allocation purposes.

If we receive more than one application with different address details and parents don't agree, parents/carers should provide court documentation to evidence the address that should be used for admission allocation purposes.

If two applications are received, with different addresses, neither will be processed until the address issue is reconciled. If two different applications are received for the same child from the same address but contain different preferences, parents/carers will be invited to submit a joint application or provide court documentation to evidence the preferences that should be used for the admission process. Until the preference issue is reconciled neither application will be processed.

If duplicate applications are made to different LAs for the same child, those LAs will liaise and share information. The child's home LA will determine if the application will be processed.

For the transfer application rounds, if the initial differing applications (one or both) were received "on-time", an amended joint application will also be considered "on-time" if received before the "late deadline". If the amended joint application is received after the late date, it will be treated as "late". The late deadline for the 2027/28 transfer application process is 1 December 2027 for secondary and upper applications and 1 February 2028 for primary, junior and middle applications. If these dates change, amendments will be published on the HCC admissions web pages at the start of the 2028/29 application process in September 2027.

Fraudulent applications

Hertfordshire County Council on behalf of the school will do as much as possible to prevent applications being made from fraudulent addresses, including referring cases to the Shared Anti-Fraud service for further investigation as necessary.

Address evidence is frequently requested, monitored and checked and school places will be withdrawn when false information is deliberately provided. Hertfordshire County Council will take action in the following circumstances:

- When a child's application address does not match the address of that child at their current school
- When a child lives at a different address to the applicant
- When the applicant does not have parental responsibility
- When a family move shortly after the closing date of applications when one or more of the following applies:
 - The family has moved to a property from which their application was less likely to be successful
 - The family has returned to an existing property
 - The family lived in rented accommodation for a short period of time (anything less than a year) over the application period
 - Official/public records show an alternative address at the time of the application

- When a child starts at the allocated school and their address is different from the address used at the time of application

Parents/carers will need to show that they have relinquished residency ties with their previous property and they, and their child(ren), are permanently residing at the address given on the application form.

Address Visits

Where suspicions lie as to the validity of an address, the Admissions & Transport Team may make unannounced visits to the applicant's claimed address or any other address suspected to be the normal permanent residence of the child's primary carer or the address where the child resides for the majority of the week. The aim of these visits is to verify that the address information provided on the application form is accurate. All visits will be made by two members of the Admissions & Transport Team.

If an address appears to be unoccupied at the time of a visit, a letter will be left confirming that an attempted visit took place. This letter will ask the occupant to contact the Admissions & Transport Team within 24 hours to confirm receipt of the letter and details of the occupant. It is reasonable to expect that an applicant living at the address stated on the application form can respond within 24 hours. If contact takes longer than 24 hours, the applicant will be asked to explain why and provide evidence why they did not respond within the specified time.

If, following the initial investigation or any further investigation, the Admissions & Transport Team concludes that, on the balance of probability, a fraudulent address has been used on an application, correspondence will be sent to the applicant confirming this decision. This will outline the factors taken into account in making the decision as well as the action which will be taken with the application. It will also set out which address will be considered to be the child's permanent home address for the purpose of their application for admission to school.

Home to school distance measurement for purposes of admissions

A 'straight line' distance measurement is used in all home to school distance measurements. Distances are measured using a computerised mapping system to two decimal places. The measurement is taken from the AddressBase Premium address point of your child's house to the address point of the school. AddressBase Premium data is a nationally recognised method of identifying the location of schools and individual residences.

Definition of "nearest school" for secondary admissions

The "nearest school" definition for rule 4 is "the nearest Hertfordshire maintained school or academy that is non-faith, co-educational, and non-partially selective.

Note – non-partially selective means that the school does not offer any places based on academic ability.

Coeducational schools/academies which select partially on ability are:

- Dame Alice Owen's School
- Parmiter's School
- Queens' School
- Rickmansworth School
- St Clement Danes School

Applications from children* from overseas

All children of compulsory school age (5 to 16 years) in England have a right of access to education. However, where a child is in England for a short period only, for example less than half a term, it may be reasonable to refuse admission to a school.

An application for a school place will only be accepted for children currently overseas if, for In Year applications, proof is provided that the child will be resident in Hertfordshire within two weeks. In Year allocations are made on the assumption that the child will accept the school place and be on roll within that timescale.

For the Primary and Secondary transfer processes, applications will not normally be accepted from, nor places allocated to, an overseas address. The exception to this (for both In Year and transfer processes) is for children of UK service personnel and crown servants (and from military families who are residents of countries with a Memorandum of Understanding with the UK). In these cases, HCC will allocate a place in advance of the family arriving in the area provided the application is accompanied by an official letter that declares a relocation date and a HCC Unit postal address or quartering area address, for consideration of the application against oversubscription criteria.

Applications will also be considered, and places offered in advance for these families, if the application is accompanied by an official letter that declares a relocation date but does not provide a quartering or unit address because the family will be residing in private accommodation. In these cases, if the family does not already have a permanent private address in Hertfordshire, the military base or alternative "work" address in Hertfordshire will be used for allocation purposes. If the family already has an established alternative private address, that address will be used for admission purposes as long as the parents provide evidence of the address and that the child will be living there.

HCC on behalf of the school will also consider accepting applications from children* whose family can evidence intent to return to and/or permanently reside in Hertfordshire prior to the start of the new academic year. These applications, if accepted, will be processed from the overseas address until sufficient evidence is received to show the child is permanently resident in Hertfordshire. Evidence must be submitted at the time of application.

Evidence submitted after the date for late applications (1 December 2026 for secondary transfer process) cannot be considered before National Allocation Day. Decisions on these applications will be made by a panel of senior officers and communicated with parents within 6 weeks of the closing date for applications.

If an applicant owns a property in Hertfordshire but is not living in it, perhaps because they are working abroad at the time of application, the Hertfordshire address will **not** be accepted for the purposes of admission until the child is resident at that address.

Children from overseas, other than those mentioned above, do not generally have automatic right of entry to the UK. An application for a school place will not therefore be accepted until they are permanently resident in Hertfordshire. Proof of residency such as an endorsed passport or entry visa will be required with the application, in addition to proof of Hertfordshire address, for example a council tax bill or 12-month rental agreement.

*Children who hold full British Citizen passports (not British Dependent Territories or British Overseas passports), or have a UK passport describing them as a British citizen or British subject with the right of abode and normally have unrestricted entry to the UK. Freedom of movement into the UK for European Economic Area and Swiss citizens ended at the end of 2020. EEA (Irish citizens aside) and Swiss national children entering the UK after the end of 2020 are now treated the same as other foreign nationals. This means they will no longer have the right to enter the country to access a state-funded school unless they fall within certain immigration categories. Find out more about [visas and immigration](#) and the [EU Settlement Scheme](#) for European Economic Area and Swiss citizens.

Children Out of Year Group (except applications for reception from summer born)

The schools policy is for children to be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children. This is in line with DfE guidance which states that "in general, children should be educated in their normal age group".

If parents/carers believe their child(ren) should be educated in a different year group they should, at the time of application, submit supporting evidence from relevant professionals working with the child and family stating why the child must be placed outside their normal age-appropriate cohort. DfE guidance makes clear that "it is reasonable for admission

Applications from summer born children who initially started Reception a year later than normal and who remain educated out of year group, will automatically be accepted and processed as "out of year group" when the child moves to another school, for example from an infant to junior school or through the secondary transfer process.

For all other out of year group applications, a panel of Hertfordshire County Council (HCC) officers on behalf of the school will hear and decide whether the application will be accepted on the basis of the information submitted. The panel make decisions based upon the circumstances of each case including the view of parents, the relevant Headteacher(s), the child's social, academic and emotional development and whether the child has been previously educated out of year group. There is no guarantee that an application will be accepted on this basis. If the application is not accepted this does not constitute a refusal of a place and there is no right to an independent statutory appeal.

Similarly, there is no right of appeal for a place in a specific year group at a school. The internal management and organisation of a school, including the placement of pupils in classes, is a matter for the Headteacher and senior leadership of individual schools.

The governing bodies of schools responsible for their own admissions (academies, voluntary aided and foundation schools) are responsible for making these decisions for applications made to their schools.

Sixth Form Admission Arrangements

The school will admit internal and external students to its Sixth Form until capacity is reached. We intend to have a Sixth Form with a total student number of 240, being 120 students in each of Year 12 and Year 13.

Minimum entry requirements are as set out in our Sixth Form prospectus, please click [here](#) for Sixth Form information and application.

The minimum entry requirements are set out in our 6th form prospectus. Any existing Year 11 ACS student who meets the overall and subject specific requirements will be offered a place in 6th form. ACS has the capacity to offer up to 20 external candidates a place in 6th form, provided they meet the overall and subject specific requirements. In the event of oversubscription to the Sixth Form, places will be offered by applying the following criteria in the order given:

Tiebreak

Measure the distance using the Find Your Nearest School (FURNS) measurement tool on the HCC website.

A tiebreak will be used if two applications for Sixth Form have addresses that measure the same distance from the school. For example, if two applications had identical home to school measurements, a random tiebreak would be used to decide which applicant is offered a place. If two applications were received from the same block of flats, the applicant with the lower door number will be deemed nearest as logically this will be on the ground floor and therefore closer to the school.

Sixth Form arrangements

The school will admit 20 external students to its Sixth Form.

Minimum entry requirements:

Astley Cooper has an inclusive Sixth Form, with entry criteria set on a subject by subject basis. These criteria are updated annually to reflect any changes in the demands of new syllabuses and are publicised on the school's website.

We offer both Level 2 and Level 3 qualifications.

For Level 3 qualifications, a minimum of a grade 5 is normally required in a chosen subject, as well as a grade 4 in English and Maths.

If the school is oversubscribed, priority will first be given to:

- i) **Rule 1** Children looked after and children who were previously looked after, including those who appear (to the admission authority) to have been in state care outside of England, and ceased to be in state care as a result of being adopted or became subject to a child arrangements order or a special guardianship order.
- ii) Students in priority area 6
