The Astley Cooper School

Responsibility Respect Resilience

Sixth Form Open Evening

Dear Families,

We would like to invite you to our **Sixth Form Open Evening on Thursday 10 December, from 6:00pm to 7:30pm**.

The evening will begin with a short presentation in the school hall, introducing the exciting and varied curriculum available from September 2027. You will have the opportunity to find out more about the different study pathways, how students can build a personalised programme to suit their interests and aspirations, and what life as a Sixth Form student at Astley Cooper School is really like.

With a choice of Level 3 A-Level and BTEC programmes, as well as a Level 2 programme of study, our Open Evening is an opportunity for all students to explore the options available and discover what their future could look like with us.

Students will have the opportunity to visit subject market stalls and speak to staff and current students to find out more information about the individual subjects they may be interested in studying. The application pack will also be available during this evening which will include information on how to apply and deadline dates.

We are also excited to announce our new Football Programme launching for September 2027 in partnership with **Queen's Park Rangers Football Club**. More information will be given during the evening and a representative from QPR will be present for any questions.

Should you have any questions regarding the Sixth Form, please contact me at the school or email below

Yours Sincerely,

Mrs Ollerenshaw-East
Head of Sixth Form

Miss Hunt
Head of Year 12

Acting Headteacher: Ian Tilbury
St Agnells Lane, Hemel Hempstead
