January 2019

Headteacher: Edward Gaynor

Dear Parent/Carer

Following on from the Sixth Form information evening held in November, we are now opening applications to the Sixth Form to start in September 2019.

Please find enclosed a Sixth Form application form, the subject blocks and entry requirements of each subject. Your child will be required to fill out the application form accurately using their most recent mock results and complete an application letter. For students wishing to study A-Levels they will need to choose three subjects from different option blocks. For students wishing to study on our Pre-Apprenticeship programme, please put down a career interest to allow us to find you the correct placement.

All students have been offered a conditional place here at Astley Cooper Sixth Form with the following conditions

- To study a level 3 course, students need to achieve a grade 4 or above in English Language or literature as well as a grade 4 or above in Mathematics
- There are no entry requirements for any student wishing to study the Pre-Apprenticeship Programme
- Good attendance and punctuality to school throughout Year 11
- To submit an application form
- To attend the Sixth Form interview in February

Every student that wishes to study in the Sixth Form on a Level 3 programme of study or on the Pre-Apprenticeship programme will need to apply using the application form. The deadline for this is Friday 1 February 2019. Should your child need support with their application, please come and see me or Mr Lally.

Students will be invited to attend an interview in the week beginning Monday 4 February with a member of senior staff to discuss their application. Following this, a Sixth Form Induction Day will take place in July after the GCSE examinations; details of this day will be sent nearer the time.

We look forward to receiving your child's application.

Yours Sincerely

Miss C East  
Head of Sixth Form
